Chief Deputy Dennis Burns gave the monthly report for the Sheriff who was unavailable. Commissioners received notice from the Sheriff regarding the hiring his own IT Coordinator. Multi County Jail bed numbers are up.

Bradford W. Bailey, Prosecutor, Katey Henson, Office Manager, met to discuss the current **Windstream** issue of terminating services. Windstream is in Chapter 11 Bankruptcy. Windstream is asking for money, 11 eleven months of service, to get out of the contract and using the date of installation one year after the agreement was signed. Delay was on their part. The county is still paying on the old system even though the four pair were disconnected in May 2019. The statement is not clear. Could use the contract agreement price to pay monthly, which would cut the statement in half.
