The Auditor and Recorder are working together to purchase new lights for the courthouse windows for use during the holiday season.

Lori Clark introduced the counties new AFLAC Agent, Kristen Preston. The former agent failed to do follow up on claims and phone calls. Several employees felt they had to change their AFLAC to Allstate. AFLAC pulled the contract. The counties new AFLAC and Allstate agents will be here November 19 to meet with employees during open enrollment. Lori will draw up a paper with all companies and agents names of what Hardin County offers, automatic withdraws, for each new hire.

Richard Lawson, Maintenance Supervisor, he has heard complaints of not enough getting down (ice storm overnight) from several areas. He had been outside for one hour prior to someone calling on him. He is irritated. He is doing the best he can. He is one man staff right now. Salt is due to arrive within the hour. It is still icy and has been treated once. He is trying to keep his stress level down. He forgot to get a return to work slip and wished someone would have told him he could not return without one and he would have stayed home. He should have one provided tomorrow. He called his Dr. this morning and found out someone had called from this office. Commissioners were aware he didn't have and it is required, he has worked one week without the return to work slip, trying to assist him in getting. He has called to get the slip and has not been able to get them to reply in a timely manner. Commissioners understand his frustration with trying to get the help he needs. The Housekeeping Supervisor is trying to help as he can. He needs to ask for help. He still has lights to secure and the wreaths placed, which is planned for tomorrow. The generator at the Safety Center is being worked on today.
